| 24/08 |               |       | Insect control -<br>Andre Swart                |       |                            |               |               |
| 21/09 |               |       | Rocks -<br>Pamela Pelser                       |       |                            |               |               |
| 19/10 |               |       | Branch structure -<br>Tobie Kleyhans           |       |                            |               |               |

#### NOTES:-

- 1 The emphasis this year would be on practical discussions and demonstrations.
- 2 **Tree evaluation/discussion** - members will bring pre-bonsai or developed bonsai to be discussed by members for future improvement etc.
- 3 **Q&A** - any bonsai related queries will be addressed during Q&A.
- 4 Please bring a **donation** for the raffle prizes.
